ABOUT ME

I find myself constantly looking to create art, through design, photography, and video. Visually, my mind becomes a canvas of infinite possibilities, where the only limit is the one I set. I am continually learning, and looking for ways to expand my knowledge to achieve my goals.

EXPERIENCE

2022

Digital Graphic Designer

Promising NFTs

- Research of new NFT projects.
- Design Instagram posts for each project.
- Work with teammates and project managers as needed to ensure successful deliverable by set deadline.

2021 - 2022

Social Media Designer

Coco Canela

- Create, design, and edit the different content of the brands within Coco Canela on their social networks and digital applications.
- Adjustments or improvements for proposals to the current communication of the agency's brands and Coco Canela to achieve a better result than expected.
- Monthly reports from the social networks of the agency's accounts.
- Research for each post, story and reel.
